NOTE: Once the Spring and Fall Funding Cycles are in place, there may be a “**Window of Opportunity Funding**” request that requires action in a timeframe that differs from the Spring or Fall Funding Cycle. In such cases, there will be a compressed version of funding decisions to accommodate those opportunities. The APC Funding Request Panel will have the sole authority to determine if the compressed “Window of Opportunity Funding” process is allowed.

Applications received after the application deadline of any cycle will not be reviewed or retained for the next funding cycle.
