To the Board of Directors of American Pecan Council

ACCOUNTANTS' COMPILATION REPORT

Management is responsible for the accompanying financial statements of American Pecan Council (a government), which comprise the statement of net position – enterprise fund as of June 30, 2023 and the related statement of revenues, expenditures, and changes in net position – enterprise fund, and statement of cash flows – enterprise fund for the one month and nine months then ended, in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

Management has omitted the Management Discussion and Analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical content.

Management has elected to omit substantially all of the disclosures required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the government's net position, results of operations, and cash flows. Accordingly, the financial statements are not designed for those who are not informed about such matters.

Supplementary Information

The supplementary information included in the operating budget for the one month and nine months ended June 30, 2023 and year ended September 30, 2023 budgetary comparison schedule and operating budget are presented for the purpose of additional analysis and are not a required part of the basic financial statements. This information is the representation of management. The information was subject to our compilation engagement; however, we have not audited or reviewed the supplementary information and, accordingly, do not express an opinion, a conclusion, nor provide any form of assurance on such supplementary information.

We are not independent with respect to the American Pecan Council.
